Died at his home, in Helgrade, Mo., on Saturday, July 15, 1922, Wm. Crommer, aged about 80 years. Mr. Crommer was formerly a resident of Ironton, a citizen loved and esteemed by all who knew him. I knew him well those days. He was a kind neighbor, and as a business man he was the soul of

integrity. His passing removes another of the few remaining links binding us to the days when life was filled with hope and vigor. He fought the good fight unselfishly. May the recompense of the just be his!

John Fahland, who has been a member of the School Board of the Pilot Knob district for the past seventeen years, was a caller at this office last Wednesday. Mr. Fahland informed us that the Knob district is in fine shape financially, notwithstanding that he thinks the assessment of some of the property is too low. The Knob district nearly always has "set the pace" financially, and meets its obligations without any trouble.

Robinson, of Bellevue, as commissioners to assess the damages sustained by property owners along the proposed right-of-way of the State Highway from Arcadia to Sabula. These commissioners will make their investigation this week and file their report with the circuit clerk. Those who are not satisfied with the amount of damages awarded them by the commissioners may appeal to the circuit court, provided they file notice of appeal within ten days after the report of the Commissioners is made public. But the route as now established is final and there can be no change therefrom.

St. Louis Globe-Democrat July 12: "St. Louis Methodist young people will be largely represented at the thirteenth annual Arcadia Methodist Assembly, under the auspices of the Southern Methodist Church, which opens at Arcadia, Mo., Tuesday, July 25. A daily program will be held for two weeks on the Methodist hill, containing sixty-five acres set aside for assembly purposes. For the first week, the Epworth League will convene with programs in succession for each of the six districts, St. Louis, Farmington, Charleston, Dexter, De Soto and Poplar Bluff. Rev. Dr. J. Marvin Culbreth of the Cabanne Church, will give the address of welcome. Rev. John B. Ensor of the Wagoner Place Church, will conduct the devotional service. Rev. Charles J. Dohn will be director of music. Charles Duggan will be director of recreation. Rev. J. R. Bullington is to speak on "Epworth League Work in Africa," and Rev. H. P. Jones on "The Call of New Japan." Following the Epworth League Assembly there will be a co-operative Sunday School institute and preachers' institute July 31 to August 4. The Woman's Missionary Society will meet August 3 to 5, and there will be a W. C. T. U. program August 5 to 6. Bishop W. F. McMurry is to speak on July 30. Dr. Fitzgerald S. Parker, general secretary of the Epworth League, will speak July 26. Harry A. Pope of St. Louis is president of the League Assembly, and Rev. Dr. J. M. Culbreth is dean."

On Saturday afternoon, July 15th, the citizens of Iron county gathered in front of the court house to witness the unveiling of the bronze tablet placed upon the wall of the court house corridor facing the front door in memory of the 335 soldiers, sailors and marines who served in the World War from this county. It also bears the names of the boys who died in the service, as nearly as could be ascertained. Mr. W. W. Reese presided at the exercises, and Rev. R. W. Stanfield led the opening prayer. The congregation joined in singing "My Country 'Tis of Thee," and the "Star Spangled Banner." Dr. Harry Parker, State Commandant of the American Legion, gave us a fine and inspiring patriotic address, followed by a few earnest words from Mrs. A. O. DeWitt, State President of the American Legion Auxiliary. Letters of commendation were read from General John A. LeJeune, Major General Commandant U. S. Marine Corps, Former Secretary of War Newton D. Baker. General John J. Pershing, Commandant U. S. Army, and Ex-President Woodrow Wilson. As the sweet strains of Nearer My God to Thee were sweetly played, Mrs. Milford Riggs, President of the local unit of the American Legion Auxiliary drew the flag aside that veiled the tablet, and all could see the permanent memorial which we hope will endure for generations to show that Iron county stands for liberty and patriotism.

On July 14th and 15th the women of the 13th Congressional District belonging to the American Legion Auxiliary met in a District Conference in Ironton at the same time that the American Legion District meeting was held here. They had representatives from Ste. Genevieve, Perryville, Desloge, Farmington, Flat River and Ironton. They held their first session in connection with the men. Friday evening and Saturday morning their meetings were held in the court house. At the close of the Friday evening meeting refreshments were served by the Ironton unit and a pleasant social time had by all. Mrs. A. O. DeWitt, of Kansas City, State President of the Auxiliary, and Mrs. R. H. McCullough, of St. Louis, 1st

Vice-President, gave many helpful talks and suggestions. Mrs. Riggs, Committee Woman for the District, reported that in the last year auxiliaries had been organized at Bonne Terre, Desloge, Ste. Genevieve and Flat River, and Farmington could organize at once. One of the special works of the women in the district, is the care given the service men in State Hospital No. 4 at Farmington. The units reported on the work done along the lines of hospital work, help to needy service men and their families, recording of historical memorials, attendance upon funerals of service men, Americanization work and civic improvement. Each unit reported work of this kind done, and a desire to do more and more of it as time went by.

"The Old Oaken Bucket"

The Iron Bound Bucket, The Moss Covered Bucket That hung in the well

"How dear to my heart are the scenes of my childhood." How many remember the words that start this lovely song of charm and sentiment entitled "The Old Oaken Bucket"? It has become one of the classics—a song to be compared to "Swanee River" and many others. It tugs at the heart. Its simplicity, its sweet stories of memories is enough to make one forget the work-a-day world and become a youth again. As a picture its appeal is irresistible. Memories of boyhood days come over an elderly figure. He has forgotten his youth in his search for wealth. But he returns to the spot of the old oaken bucket. And lives over the happy memories of youth.

Model Rural School for Iron County.

Iron county is to have a model rural school, according to Allan Hinchey Director of extension work for the Southeast Missouri State College of Cape Girardeau, who in Company with County Superintendent George W. Hanson, met with the school directors and patrons of the Middlebrook School District Friday night.

The Southeast Missouri College is establishing a demonstration school in each of the twenty-seven counties of its District, Middlebrook being selected for Iron County because of its central location and accessibility.

The State College takes general direction of these demonstration schools, in co-operation with the County Superintendent and the local School Board, helping to defray the expense of equipment for carrying on the work.

The rural School Supervisor of the College makes regular visits to the demonstration school to aid the teacher in carrying on the work. The College also furnishes a circulating library for the school to be renewed from time to time.

The plan has proven successful and popular in the counties where it has been put into effect and other counties of the District are bidding for the schools.

The Directors of the Middlebrook school are Jos. H. Haven, William Seitz and C. E. Mathews. Mrs. Haven is the District Clerk. The teacher for the coming year is Miss Leona Baldwin, a graduate of the Ironton High School who is now attending the summer term at the Cape Girardeau College.

A community club will be organized at Middlebrook in the near future.
